CHIP PROGRAM FEDERAL HOME FUNDS HOMEOWNER WRITTEN AGREEMENT

This brief agreement (hereinafter referred to as "agreement") has been made and entered into as of the 13 day of March, 2017, between Mr. & Mrs. (Marilyn) Hunter hereinafter referred to as "Owner" and Mr. (John) Hunter, the borrower hereinafter referred to as "Borrower".

WITNESSETH

WHEREAS, Pursuant to the provisions of the Creative Communities National Affordable Housing Act (NAAHA), as amended (the "Act"), the United States Department of Housing and Urban Development ("HUD") has made HOME Investment Partnership Program ("HOME") funds available to the State of Ohio, Madison County (the County) has been designated and expressed to receive HOME funds through the State of Ohio, Ohio Development Services Agency's Community Housing Impact and Preservation Program (CHIP) to provide housing activities within the local community as outlined in the County's application for funding. The Owner has been determined to be eligible to receive HOME funding for the rehabilitation of this principal residence.

NOW, THEREFORE, the parties hereto in consideration of the premises and mutual obligations set forth herein agree as follows:

I. Use of HOME funds

HOME funds have been provided to provide rehabilitation of the owner's residence located at 8 Degar Dr. London, Oh. Improvements are being funded to bring the unit into compliance with the Ohio Development Services Agency's Residential Rehabilitation Standards. The Owner agrees to provide assistance in the form of a loan to Mr. (John) Hunter, in an amount not to exceed \$9,700 (hereinafter referred to as "loan") for the Owner's principal residence located at 8 Degar Dr. London, Oh. The loan shall be subject to the terms and conditions as set forth in this agreement as well as those contained in the mortgage and promissory note.

II. HOME funding requirements (41 CFR 101.50)

- The estimated value of the property after rehabilitation, is limited to no more than HOME Homeownership Value Limits for the area, as published annually by HUD;
- The house is required to serve as the principal residence of an owner that has been documented as qualifying as a low-income family at the time the HOME funds were committed to the housing;
- The house is required to meet the definition of "homeownership" as defined in 24 CFR 101.2.

III. TERM OF AFFORDABILITY

The assisted unit, a single-family home which is assisted with loan funds shall remain the principal residence of the Owner for not less than five (5) years beginning on the date of the project mortgage filing. A property foreclosure initiated by the first mortgage holder, or another transfer in lieu of foreclosure, or payment of the loan balance are the only occurrences which may prematurely end the affordability period, as long as either action is not for the purpose of avoiding low-income affordability restrictions.

IV. ENFORCEMENT OF AFFORDABILITY REQUIREMENTS

To enforce the affordability requirements, a Promissory Note and Mortgage create a restrictive covenant specifying the affordability requirements for this project and their duration and shall be recorded at the time of this agreement is executed.

V. PARTIAL INVALIDITY

A provision of this agreement which shall prove to be invalid, void or illegal shall in no way affect, impair or invalidate any other provision, and those other provisions shall remain in full force and effect.

TERM OF AGREEMENT

This agreement shall remain in full force and effect until the expiration of the term of the term of affordability for this project as specified in the section titled "Term of Affordability".

IN WITNESS WHEREOF, this agreement has been signed by the duly authorized representative of the parties this 13 day of March, 2017.
