Dear Madison County Commissioners:

Because of the support of members like you and the leadership of the Madison County Commissioners, which you represent, the Madison County Family and Children First Council continues to strategically plan and address the needs of families in Madison County. With the participation of the Madison County Commissioners in our planning process, we continue to provide proven programs, coordinate existing services, and collaboratively develop needed programming. Through these efforts, Family Council is able to leverage funding and provide comprehensive services for our community.

Madison County Family Council is comprised of members representing different social services, criminal justice, public and non-profit organizations that are committed to collaboration with and support of the ongoing development of a comprehensive community strategy. Of course, the greatest significance of this Council is the collaboration of the participating members at both the direct service and executive level. Through Your Council, we have the ability to assess our needs very locally, to address community needs smoothly, plan, develop, and evaluate services in our community.

As an ongoing Family and Children First Council member, the Madison County Commissioners are a key stakeholder in the community. We would like to invite you to again be a contributor to the Madison County community support funding that provides for these services. In prior years (2018 and 2019), the Madison County Commissioners have provided $100,000.00 to the community support which has been gratefully received. We look forward to your continued support funding opportunity in 2020 as we strive to positively impact our community.

Enclosed you will find the Madison County Council financial invoice for the community support funding for the upcoming year. Thank you for your continued support of Madison County Family and Children First Council.

Sincerely,

MADISON COUNTY
COMMISSIONERS

2020 JUL -6 AM 11:33

PUBLIC NOTICE
MADISON COUNTY PY 2018 CDBG PROGRAM
AMENDMENT
PUBLIC HEARING

Madison County intends to apply to the Ohio Development Services Agency for an amendment to its PY 2018 Community Development Block Grant (CDBG) Program. The CDBG program is a federally funded program administered by the State of Ohio.

A public hearing will be held on Tuesday, July 28, 2020 at 11:00 a.m. in the Madison County Commissioners' Office, Madison County Courthouse, 1 N. Main Street, London, Ohio. The hearing is to give citizens an opportunity to review and comment on the proposed change to the PY 2018 CDBG Program before the County submits the amendment to the Ohio Development Services Agency. Due to COVID 19, the public is asked to call ahead to determine the County Commissioners' protocol for meeting attendance.

Madison County is proposing to move $70,400, originally designated to assist with the construction of a domestic violence shelter, to carry out additional flood and drainage work in the Village of Midway. The funds were not needed for the DV shelter.

The proposed amendment will shift the funds to Midway's current NRG Program. The proposed work will consist of installing approximately 700 LF of additional drainage to serve West Street, and 500 LF of additional drainage to serve Broad Street.

Madison County and the Village of Midway are finalizing the project. The CDBG project amounts are preliminary and are being finalized. The project will be discussed at the public hearing. Citizens are encouraged to attend this meeting in order to express their views and comments on the County's proposed PY 2018 CDBG Program amendment.

Please publish one-time on Sunday, July 12, 2020
