RE: 2022 Asphalt Materials, Tuesday, March 15, 2022 at 10:00 AM – Bid Opening

Dear Bidder:

The Madison County Commissioners have awarded all bidders' pricing for **PART 1, Hot Mix and Cold Mix Asphalt**. This was in case a breakdown occurs at a particular plant, a plant opens sooner in the spring or stays open later in the fall, or hauling distance is shorter to a particular plant to save time and hauling costs.

The Madison County Commissioners have awarded the following chip seal liquid asphalt emulsion bid from **PART 2, Liquid Asphalt Emulsions**, to Asphalt Materials, Inc. as follows:

HFRS-2P	\$2.15 per gallon (Chip Seal)
---------	-------------------------------

All other bids for **PART 2**, except for chip seal emulsions, have been awarded.

For reference, bid tabs are included. Thanks for your bid.

Sincerely,

Bryan D. Dhume, PE, PS
Madison County Engineer
